Clever carving

Carving the Sunday roast is a time-honoured family ritual that carries great responsibility, so don't make a hack of it. CHROMA type 301 by F.A. Porsche has released an exceptional boxed carving set, including a carving knife and fork, purpose-designed for a skilful carve.

Zen Imports: 1800 064 200.

Glide away

Hands are one of the most commonly afflicted areas of the 3.85 million arthritis sufferers in Australia. So a set of kitchen knives designed for those with reduced hand strength and a weaker grip is welcome. Dexter Russell has produced a range, called DuoGlide, that combines its renowned blade technology with a soft, contoured handle. vgmimports.com.au or 1800 650 601 (toll free)

Richer flavour

This high-tech, easily stored Black and Stone electric convection barbecue produces fabulous flavour through greater temperature. blackandstone.com.au, 1300 089 001

Get a grip

Finding the correct combination of screwdriver to screw head is often considered to be just as difficult as cracking the combination to a safe.

Bahco's Pistol Grip Screwdriver is packed with functional features. 1300 728 177 for local stockists.
